Here is the 2025 Senior Hot Stove schedule. You will notice that two dates are marked open (May & September). They are during boat in the water time and we have no intention to disturb that. Does not mean that if it is 450 and pouring rain that we cannot get together, that is the good thing about this group. This group does take a summer break from June to August and returns back in September on the second Wednesday!

Is our Hot Stove Wednesday's restricted to just club members??? We are more open, so if you have a sailing friend or a friend that is a member of another club or know a member of Albatross Yacht now that has closed operation, we invite them with open arms.
